

Auxiliary of Boys' Republic Rummage Sale Set March 22

The doors of the Pasadena Civic Auditorium will open to the 32nd semi-annual rummage sale sponsored by the Pasadena Auxiliary of the Boys Republic.

This "world's largest one day" rummage sale offers 24 departments of bargains for thousands of regular customers on March 22. The sale starts at 9 a.m. and ends at 3 p.m. on the same day and a record crowd is expected.

The proceeds from the sale are used to further the facilities and growth of the Boys Republic at Chino. Gifts from the auxiliary to the school (funds for which are derived entirely from the sale of rummage) include a swimming pool, new gymnasium, new bus, recreational area, remodeled dining room and kitchen, bungalow and a medical-dental fund.

This non-sectarian, non-political institution offers course in farming and trade skills and is self-governed character building school for unfortunate and misguided boys, and is maintained by its own earnings and funds contributed by friends of the school.

Founded in 1907 by Mrs. Margaret Fowler, this school has seen more than 4,000 boys graduate and go to college and become responsible citizens with successful careers.

The school graduated its largest class to date in January of this year—41 boys. Approximately 125 boys live at the Republic and work in the school's dairy, print shop, produce farm and also attend classes. These teenagers elect their own leaders and under proper supervision decide the punishment for infractions of rules.

FULL MEASURE . . . for your dollar will be a feature at the 32nd semi-annual rummage sale conducted by the Pasadena Auxiliary of Boys Republic to be held March 22 at the Pasadena Civic Auditorium. Miss Joan Culver, Pasadena Tournament of Roses Queen of 1955, demonstrates to Mrs. Dale Webster. Proceeds are used to further the facilities and growth of the Boys Republic at Chino.

"I have been losing my eyesight over a period of time and as a result of this poor eye sight, I was unable to get work. A friend suggested I try a multiple Vitamin in a natural base, the cost was too high until I found Nutriall Plus which is about half the price of most Vitamins of this strength. As a result of taking Nutriall Plus Vitamins, I am now running my own Thrifty-Lux Clearance store in Lomita. All my feeling of apprehension, nervousness, and irritability have disappeared. Now I enjoy my work and my friends. My eyesight has improved considerably and I now feel confident I can perform my daily duties, watch television and enjoy the benefits of good sunlight. Nutriall Plus is the answer to my prayers."
